

# Tender specification

## DP-cable

The DP cable enables the connection from a KRIWAN protection relay to the Modbus Gateway (INT600 DM Gateway). It is angled on both sides and available in different lengths.

## Technical data

<b>Cable length:</b>	0.30 m; 1.00 m; 10.00 m
<b>Connection type KRIWAN protection relay:</b>	plug angled
<b>Connection type Modbus Gateway:</b>	plug angled
<b>Manufacturer:</b>	KRIWAN Industrie-Elektronik GmbH
<b>Type:</b>	DP-cable
<b>Part number:</b>	FK02098062 (0.30 m) FK02098077 (1.00 m) FK02098069 (10.00 m; with M16 screw connection)
